

The Flow shower tray displays a lineal development in its architecture, bringing solutions to larger shower areas. Its variable length facilitates the optimization of the space available. Made with Scene Materia, a material included amongst those denominated as 'solid surface' materials – skinless, synthetic compounds whose outermost surfaces have the same properties as their interiors.

## FLOW

# SHOWER TRAYS – STANDARD

Standard – Fixed size only.

Flow Code	FL90140	FL90160	FL90180
Width	900mm	900mm	900mm
Length	1400mm	1600mm	1800mm
Price White	£1,105.00	£1,178.00	£1,326.00
Price White + Antislip	£1,281.00	£1,355.00	£1,503.00

## SHOWER TRAYS – BESPOKE

Bespoke – Made to measure sizes.

Flow Code	FL901416	FL901618
Width	900mm	900mm
